FuelCare
The Clean Tank

CAPABILITY STATEMENT

Experience

Department of Defense (Prime)
2021–Present | Base Annual Contract: $28,500; Lifetime Value: $89,000
FuelCare provides annual tank cleaning and fuel polishing for 24 diesel tanks supporting backup generators at the Fresno Air National Guard. The contract began in 2021 with four optional renewal years through 2025.

Federal Aviation Administration (Prime)
2025–Present | Lifetime Value: $2,500
FuelCare performed annual compliance testing for one site with three underground storage tanks and submitted required documentation to governing agencies.

Grays Harbor County Public Works (Prime)
2017–Present | Lifetime Value: $150,000+
FuelCare provides annual fuel tank service and maintenance across four road district sites. Work includes visual fuel assessments with third-party lab analysis, compliance testing, recommended preventive maintenance, fuel polishing, and remediation where required.

Port of Anacortes – Marina Fuel Dock & Airport (Prime)
2019–Present | Lifetime Value: $100,000+
FuelCare conducts annual fuel tank maintenance at both marina and airport locations. Annual services include visual fuel assessments with laboratory testing, followed by preventive maintenance, polishing, and remediation as needed.

Silver Lake Water & Sewer District (Prime)
2019–Present | Lifetime Value: $160,000+
FuelCare maintains 20+ generator tanks across 17 locations, including lift stations and main facilities. Services include visual fuel assessments with laboratory analysis, preventive maintenance, fuel polishing, remediation, and minor repairs as needed.
